

High Impact

★ EASY WINS

Apply Filters Button

starts search results.

Swiping Instructions

Onboarding or indicators on screen.

Chat Box

Make more obvious. Add text like, "chat with group".

♥ BIG BETS OR INVESTMENTS

Simplify Filters Screen (Tiles).

More compact, less scrolling

Activity Actions

Liking, sharing, writing, etc. Make it easier to find and use. More obvious. (onboarding tutorial?)

Sub-nav. on "Plan" screen

Doesn't make much sense to group them. Make it make sense.

Low Impact

👍 INCREMENTAL

Search: start page

Blank page (with filters an option, but not immediately pulled up)

"Give Thanks" Icon

Replace icon used to say thanks for a comment.

? TIME / MONEY PIT?

"Sports" Badge

Get's confused with basketball or ball sports only. Fix that.

Responsive Monthly Calendar

Tap on day and see what's planned for that day.

Friends Who Like this

Make it so you can see what firends like an activity when you click "X people like this"

Low Effort
