My friends and I turned this into a race game where it didn't matter how many turns it took, just who finished first! It was a fun way to mix it up and might make it more fun for kids with less . . .

TODAY

I've never played disc golf, so I'm so down to try it!

Excited to hang out this weekend!

Peter, do you know which park we'll want to go to if we chose to do the 2 park activities?

These all look like some fun ideas. Pretty cool app, if I do ssay so myself.

## ✕ Choose Time & Date

**Compare Calendars:** When you and your group have linked their *Google Calendars* to their accounts, you can more easily see what dates and times work best for everyone.

**Time Blocks** are preset times and dates that the group has pre-determined as activity time windows. These presets can be edited by group admin in "Profile" and are generally the fastest way to plan.
