

## Planning / Group Chat

### Chat

Chat is intuitive

Ginelle

### Chat

feature is nice

Janelle

### Chat

Chat indicator like "chat with friends here" would be helpful.

Ginelle

### Monthly Calendar

Expected to be able to click on the 8th of a month and see the plan for the 8th

Janelle

### Navigation

Grouping together the "Groups" and then the calendar views is a little confusing.

Ginelle

## Swiping

### Swiping Function

Neat way to find activities (more enjoyable than just search)

Ginelle

### Activity Badge

"There's a "ball involved" with it? (basketball icon)"

Sports icon was sending mixed messages.

Britt

### Instructions

How does swiping work? maybe show an indicator?

Britt

## Search / Filters

### Apply Filters

"Got confused when I clicked apply and nothing really happened"

Janelle

### Apply Filters

"Apply" should make me see the results.

Ginelle

### Filter Tiles

Expected the filters to be more condensed.

Britt

### Filter Tiles

I want to scroll less through the filters.

Ginelle

### Search

I expected to see a blank screen when clicking "search"

Ginelle

### Search

Was confused when landing on the search page.

Applied Filters and nothing happened.

Ginelle

## Activity Details

### Weather

"Nice that the weather and activity is all in one!"

Britt

### Community Comments

Reviews (or what people were saying) was easy to find.

Janelle

### Community Comments

Would expect to see a different icon for "giving thanks".

Upvote or heart?

Janelle

### Like an activity

Expected to see a heart button next to the "how many people enjoyed this".

Ginelle

### Activity Likes

Can I click on 23k people to see if my friends like it?

Britt

### Community Comments

Change "give thanks" icon to something else.

Maybe thumbs up or thumbs down?

"Hand with a heart means more to me that you're 'giving support'."

Britt

### Share

Expected an actual share button already displayed on the page. (easily to see/identify)

Janelle

### Share

Wasn't sure how to "Share".  
(guessed was in 3 dot menu)

Ginelle

### Share

Didn't see the small 3 dots cause already saw the larger 3 dots below the image?

Janelle

### Action Button (Logo)

Make Logo button stand out. (button wasn't very noticeable).
